1	13	2 e-Tender Schedule S.No 10	<p>This refers to the tender announcement of ELCOT through eproc.TN on the above stated subject. We have gone through the tender document and find ourselves matching the qualification criteria as well as the past experience of Inspection and Testing of IT as well as electrical/electronics products. One major services BTH provided was for providing PDI Inspection services to TNCSC through about 3 dozens of Inspection Engineers throughout the Southern states as well as many states of India where manufacturing units were located.</p> <p>Presently the Internet services have been suspended in many parts of Haryana and adjoining areas of Delhi due to ongoing farmers agitation due to which there is no possibility of using the internet. You will be aware that there are many labs are situated in Haryana, Punjab, UP, Delhi-NCR who would be eligible for this tender but may miss the opportunity to apply online through EPROC.TN portal. The day-to-day operations of all the organisations in the above areas are disrupted for want of regular, high speed internet services. Therefore due to the prevailing situation, we would request ELCOT to postpone the deadline for 3 to 4 weeks so that eligible service providers would be able to make arrangement to submit tender documents. Looking forward to your favourable decision in the interest of suitable and deserving organisations.</p>	<p>Due date of tender extended 12.02.2021 at 4.00 PM. &amp; opening of the Technical bids online to 12-02-2021 at 5.00 PM.</p>
